Dubbo and District Preschool Kindergarten Incorporated supports the active participation of children in our service. We will endeavour to keep them safe at all times by:

- Respecting and valuing the children at all times.
- Listening to and respecting the child's view
- Providing adequate supervision and ensuring play environments are safe
- Ensuring that children are supervised by a minimum of two staff members at all times in a ratio of 1:10 and always work with a child/children in view of others.
- Managing pick-ups to ensure only nominated contacts pick up a child.
- Ensuring two staff always transport children on the bus.
- Ensuring physical conduct with children will be appropriate at all times.
- Another staff member will be asked to be a spotter when a staff member is changing a child - including nappy changes or toileting a child.
- A D&D staff member will accompany a visiting therapist when they are working with a child – eg Hear our Heart, STEPS, or request that they work with the child where they are easily viewed – eg speech therapy, OT, ACTT.
