2. Scope

This policy applies to children, families, carers, staff, and management of the Preschool.

3. Purpose

The purpose of this policy is to outline our enrolment processes in keeping with the Legislative requirements and in line with Priority of Access Guidelines for NSW State Government funded preschools.

4. Priority of Access and grouping guidelines

For NSW state funded community-based preschools, the *Priority of Access Guidelines* are defined by NSW State Government funding agreements. Preschool providers are also required to adhere to the

Early Childhood Education and Care Grants Program Priority of Access Guidelines. These guidelines require services to give priority access to:

- a) Children who are at least 4 years old on or before the 31 July in that preschool year and not yet in compulsory schooling
- b) Children who are at least 3 years old on or before 31 July and from a disadvantaged background (i.e., from a family holding a low-income Health Care Card and/or is Aboriginal)
- c) Children with English as a second language (ESL)
- d) Children with disabilities
- e) Children who are at risk of significant harm (from a child protection perspective).

Dubbo and District Preschool group guidelines:

- a) 4–5-year-old classes - children must turn 4 before 31 January in year of enrolment.
- b) 3–4-year-old classes- children must turn 3 before the 31 January in the year of enrolment.

Note: Children must be 3 years of age before starting preschool as per the licensing requirement. This ensures that opportunities to attend are maximized and the preschool maintains full enrolments.

Dubbo and District Preschool recognises that families of vulnerable children may not make application for waitlist or enrolment until closer to the date they wish their child to start. To support these children and families – 10 places will be reserved for these children and filled as requested, until the first week in December of the year prior to starting. If these places are unfilled at this time, due to no request for enrolment, then the places will be offered to children from our waitlist.

5. Our goals

Enrolment and orientation procedures form the foundation for strong relationships between families and early education and care settings and promote a quality experience of education and care for children.

Good procedures include consistent information around service operation and authorisations promoting compliance and a safe and secure environment for children and families.

6. Our strategies

- a) Enrolling family members are responsible for informing the Director of custody and access arrangements on enrolment and must advise the Director immediately of any subsequent alterations to these arrangements.
- b) All relevant legal documentation is to be shown to the Director and a copy will be maintained in the child's enrolment record.

8. Orientation

The orientation will consider and respect the needs of both families and children. Parents/guardians will be encouraged to remain with their child when delivering or collecting them for as long a period as the parent/guardian and/or educators feel may be necessary to ensure the child's wellbeing.

We will always consider the feelings and time constraints that families may have regarding participating in orientation processes and aim to make the experience a positive and welcoming introduction to the service.

Our service will provide options for orientation to the education and care service for families which includes:

- a) Inviting new families to visit the service with their child on our Open Days, at our orientation session or at alternative times that are mutually suitable, to familiarise families with the service prior to the child's attendance.
- b) Providing all new families if requested, with a conducted tour of the premises on which will include introductions to other educators, children, and families, and that highlights specific policies and procedures that families need to know about our service.
- c) Ensuring each family has an opportunity to have any questions answered.
